INTERNATIONAL STUDENT RECRUITMENT OPERATIONAL HANDBOOK

Aiding Excellence

In view of this, our company request and is ready to stand as liaison team that would relate with these college administrators that award this certificate and students through different means and present the offer of (IDEP) if approved and designed by your university to any student who wish and could afford the the opportunity to come to UPSI and finish their degree within the stipulated period through the same mode of entry as it operate in Nigeria.

What is N.C.E?

Nigerian Certificate in Education (N.C.E) is a minimum academic certificate for anyone who wishes to teach or work in any education sector in Nigeria. The mandate of the teacher training programme at the NCE level, which is the recognized minimum teaching qualification in Nigeria, is to produce quality teachers for the Basic Education sub-sector.

Courses offer in N.C.E awarding colleges

It is a three (3) year program. The students attend most education courses. The courses would be presented if we are given opportunity during our meeting with the university.

Status of N.C.E graduate in Nigeria Education and employment status

Candidate, who passed through this program/College in Nigeria, works in the public education sectors as assistance education officer grade level seven (7).

N.C.E awarding Colleges

In Nigeria there are eighty three (83) public and few approved private that award this certificate. Details would be provided later with the links.

Examples of prominent Nigerian public universities that accept the certificate.

Names of these universities with links for enquiry will presented later during our meeting.
